

On Friday night before the convention pre-registered attendees can pick up their lanyards and swag bags at the registration desk from starting at 6:00pm. At 10:00pm the line will close.

Staff must pick up their badges from their Directors some time Friday afternoon/evening. Staff must pick up their lanyard and swag bag at the registration desk like everyone else.

At door registration begins at 8:00 am Saturday morning, there will be a separate line available for pre-registered attendees who where not able to get their lanyard and swag bags the night before.

Identification: Bring ID for registration.

you'll need photo ID when you check in at registration to prove you match the name on the badge and the age in our records. School ID will work for the photo, though you may be asked to prove your age if you have an adult badge. All minors will also need their [parental consent form](#) when they check in. After midnight yojimbo will begin asking for ID to verify age and identity for admission into the after hours content. Those without ID proving them to be 18 or over will be asked to leave the convention space.

Badges: Badges and lanyards must be with you at all times.

While in the convention attendees need to have their badge and their lanyards visible on their torsos. Not on the wrist or on the belt. ONLY around the neck or clipped to your costume.

They can be taken off fro photographs but must go back onto the torso immediately.

Curfew: 12 midnight is curfew, all minors out of the conspace.

You must be over 18 to attend any convention event after midnight. This applies to emancipated minors and attendees with their parents. We will be allowing you to stay up until 1 AM for the purposes of attending the dance (Saturday) and the rave (Sunday). This is the ONLY exception we are making to the curfew. Any other events going on in con space after that time, you will still need to exit con space.

Glomp Circles: Take it outside.

Seriously, the conspace is too crowded and there's too many risks. Please go outside, preferable into whatever park or green space is available. We understand there are mundanes and bums and other creepers that want in on the action, sorry. Glomping is a privilege not a right when you're in the convention space.

Signs: As in those signs that people hold up while standing around in the con space.

You can do signs that offer free stuff. You cannot have signs that offer stuff for other stuff.

"Free Hugs" - OK, "Yaoi for Donuts" - not OK, Understand?

Also don't advertise stuff like room parties or your school play. Advertising for your panel or booth in the Exhibitor's hall is OK.

NEVER put signs on the walls! If you have flyers, don't leave piles all over. Take them to the info booth and ask the booth moogler if you can put them there.

Myself or another moderator will continue to keep this up to date.

...or maybe just mess things up...

Please ask any questions regarding general convention policies and we'll do our best to answer them.
